#1 Share design mockups on paper or use any mockups design tool to prepare that mockup

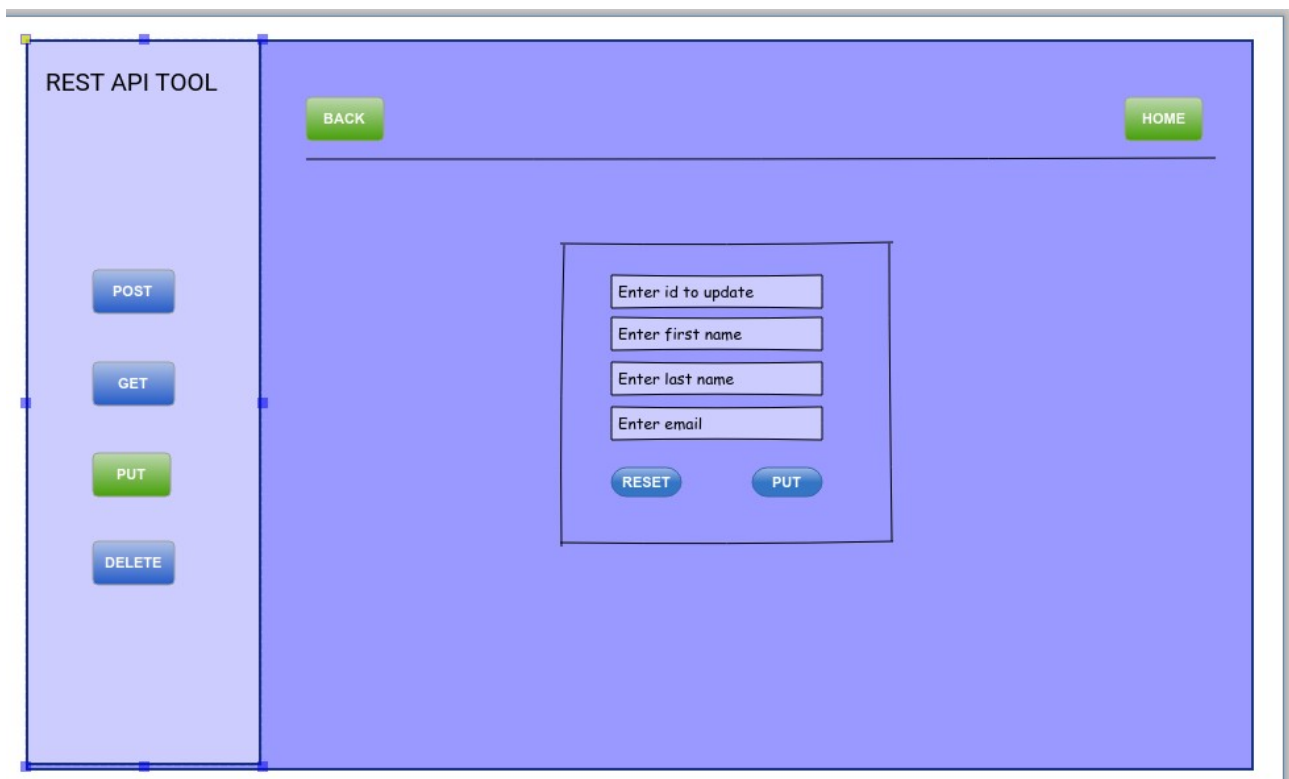

POST

The mockup shows a web application titled "REST API TOOL". On the left is a sidebar with a vertical list of HTTP methods: POST (green), GET (blue), PUT (blue), and DELETE (blue). The main content area has a light blue background. At the top of this area are two green buttons: "BACK" on the left and "HOME" on the right. Below these buttons is a horizontal line. In the center of the main area is a white rectangular form. This form contains three text input fields: "Enter First Name", "Enter Last Name", and "Enter Email Name". Below these fields is a green "POST" button.
